

# **HAVERING CYCLING CHARTER**

**We, the people, businesses, organisations and schools in Havering want our borough to be a vibrant place to work, study, thrive and do business.**

## **WE RECOGNISE THAT...**

- Cycling has an important part to play in addressing Havering's challenges of congestion, inactive lifestyles and pollution
- Cycling supports business, boosts economic productivity and contributes to the health and well-being of our workforce
- Pressure on our roads caused by the growing population in the borough will be relieved if more people cycle
- Increased physical activity helps ease the burden on our health and social care services

## **WE WANT HAVERING TO BE A BOROUGH WHERE...**

- Children can cycle to school or college safely
- People can travel to work safely, directly and easily on a convenient and connected cycle network
- Our roads and public spaces prioritise people and make cycling the safe, natural choice for a large proportion of everyday journeys
- Cycling contributes to our prosperity, helps us stay healthy and keeps people and goods moving

**We want to support our leaders in delivering this better future for the people, businesses, organisations and schools of Havering.**
